**Local Law 93 of 2015 (Previously Local Law 6 of 2011) – Biannual Report**

**Suspensions**

Pursuant to Local Law 93 of 2015, the Department of Education is required to provide reports on student discipline data (suspension data) to the City Council twice a year (October 31 and March 31). The October reporting requires citywide suspension data by month for the second half of the academic year, January through June. Per the legislation and in accordance with the Family Educational Rights and Privacy Act (FERPA), any value from zero (0) to five (5) has been redacted.

The following analyses include six month and year-over-year suspension data comparisons between SY2021-2022 and SY2018-2019. Due to the COVID-19 pandemic and the introduction of the blending learning model (a combination of in-person and remote), suspension data for the 2020-2021 school year were at historic lows and are not comparable to suspension data during traditional learning. SY2018-2019 was the last full year of traditional learning prior to the COVID-19 pandemic.
