Discharge (Out of NYC) Rate

The NYC traditional graduation rate cohort excludes students in self-contained classrooms and District 75 students. Graduates are defined as those earning either a Local or Regents diploma, a Skills & Achievement Commencement Credential (SACC), a Career Development and Occupational Studies Commencement Credential (CDOS), or New York State approved high school equivalency degree by August. The NYS calculation, used since 2005, includes Local and Regents Diplomas and all students with disabilities. It does not include SACCs, CDOS or high school equivalency degrees as graduates.
