

2024-25 NYC School Survey Response Recognition Award Recipients

Beginning with the 2024-25 academic year, The New York City School Survey Response Recognition Program honors qualifying district schools (Districts 1-32 and 75) that demonstrate exceptional dedication to comprehensive survey participation by achieving an 85% overall response rate across all surveyed groups. Schools meeting this distinguished benchmark will be recognized with a green ribbon designation on their 2024-25 School Quality Snapshot and 2025 NYC School Survey report, acknowledging their outstanding commitment to fostering inclusive and thorough survey administration practices.

Please note that this distinction recognizes schools' response rates rather than NYC School Survey results. Survey outcomes, such as community satisfaction levels, should be interpreted separately from this recognition.
