

# DENTAL VISIT PREP

## *In Preparation*

- Collect as many signed consents as possible
- Consider holidays, field trips, or exams when scheduling.
- Identify one room to dedicate to dental visit
- Review list of students to receive services from the provider

## *Day of Visit*

- Have at least (1) staff member to greet dental provider and manage the flow of students
- Support dental provider in connecting with parents of students with additional follow-up care.

**Coordinate with your dental provider for additional preparations for visits!**
