School Name:

Student Name:

We want to know what you think about your child’s school. Your answers to this survey are confidential and you can skip any question you are not comfortable answering or that may not apply to your child. No one at your child's school will ever see your individual responses. Your responses will be combined with those of other parents at your child's school to provide information and help the school improve its learning environment. If you have more than one child in your family who attends NYC schools, please complete this survey for each child.

If you have any questions or concerns about the survey or its administration at your school, please contact your school's survey coordinator. More information about the NYC School Survey is available at NYCSchoolSurvey.org.
