REQUEST FOR PROVISION OF MEDICALLY PRESCRIBED TREATMENT (NON-MEDICATION)

Provider Treatment Order Form | Office of School Health | School Year **2022–2023**

Please return to school nurse. Forms submitted after June 1st may delay processing for new school year.

PARENT/GUARDIAN READ, COMPLETE, AND SIGN: BY SIGNING BELOW, I AGREE TO THE FOLLOWING:

1. I consent to my child's medical supplies, equipment and prescribed treatments being stored and given at school based on directions from my child's health care practitioner.
2. I understand that:
   - I must give the school nurse my child's medical supplies, equipment and treatments.
   - **All supplies I give the school must be new, unopened, and in the original bottle or box. I will provide the school with current, unexpired supplies for my child's use during school days.**
     - Supplies, equipment and treatments should be labeled with my child's name and date of birth.
   - I must **immediately** tell the school nurse about any change in my child's treatments or the health care practitioner's instructions.
   - The Office of School Health (OSH) and its agents involved in providing the above health service(s) to my child are relying on the accuracy ofthe information in this form.
   - By signing this form, I authorize OSH to provide health services to my child. These services may include but are not limited to a clinical assessment or a physical exam by an OSH health care practitioner or nurse.
   - The treatment instructions/orders on this form expire at the end of my child's school year, which may include the summer session, or when I give the school nurse a new form (whichever is earlier). When this medication order expires, I will give my child's school nurse a new MAF written by my child's health care practitioner.
   - This form represents my consent and request for the medical services described on this form. It is not an agreement by OSH to provide the requested services. If OSH decides to provide these services, my child may also need a Student Accommodation Plan. This plan will be completed by the school.
   - For the purposes of providing care or treatment to my child, OSH may obtain any other information they think is needed about my child's medical condition, medication, or treatment. OSH may obtain this information from any health care practitioner, nurse, or pharmacist who has given my child health services.

FOR SELF-TREATMENT (INDEPENDENT STUDENTS ONLY)

Premixing of medications and feedings by parents is no longer permissible for a nurse to administer. Nurses may prepare and mix medications and feedings for administration via G-tube as ordered by the child's primary medical provider.
