

NOTICE OF CHANGE IN FEE

Weekly family fees have been reinstated following the termination of the Governor's executive orders issued under the state of emergency related to the COVID-19 pandemic. Please be prepared to begin paying a weekly fee for Extended Day and Year services to the program that serves the youngest child in your family.

Fees for enrollment in Extended Day and Year services will continue to be based on your family's reason for care, income, and size. The part-time fee applies during the school year (between September and June) for children who attend Pre-K for All or 3-K for All Extended Day/Year programs. The full-time fee will apply for summer services. All infants and toddlers enrolled in a DOE contracted program are enrolled in full-time care.

The change in fees went into effect on October 4, 2021. Your family's new fee is \$ **per week.**

Based on enrollment data in our systems, this fee is due to us, as the program providing services to the youngest child on your family's case. If you have questions regarding your family's fee please contact us:
