

# NYC School Survey Citywide Results

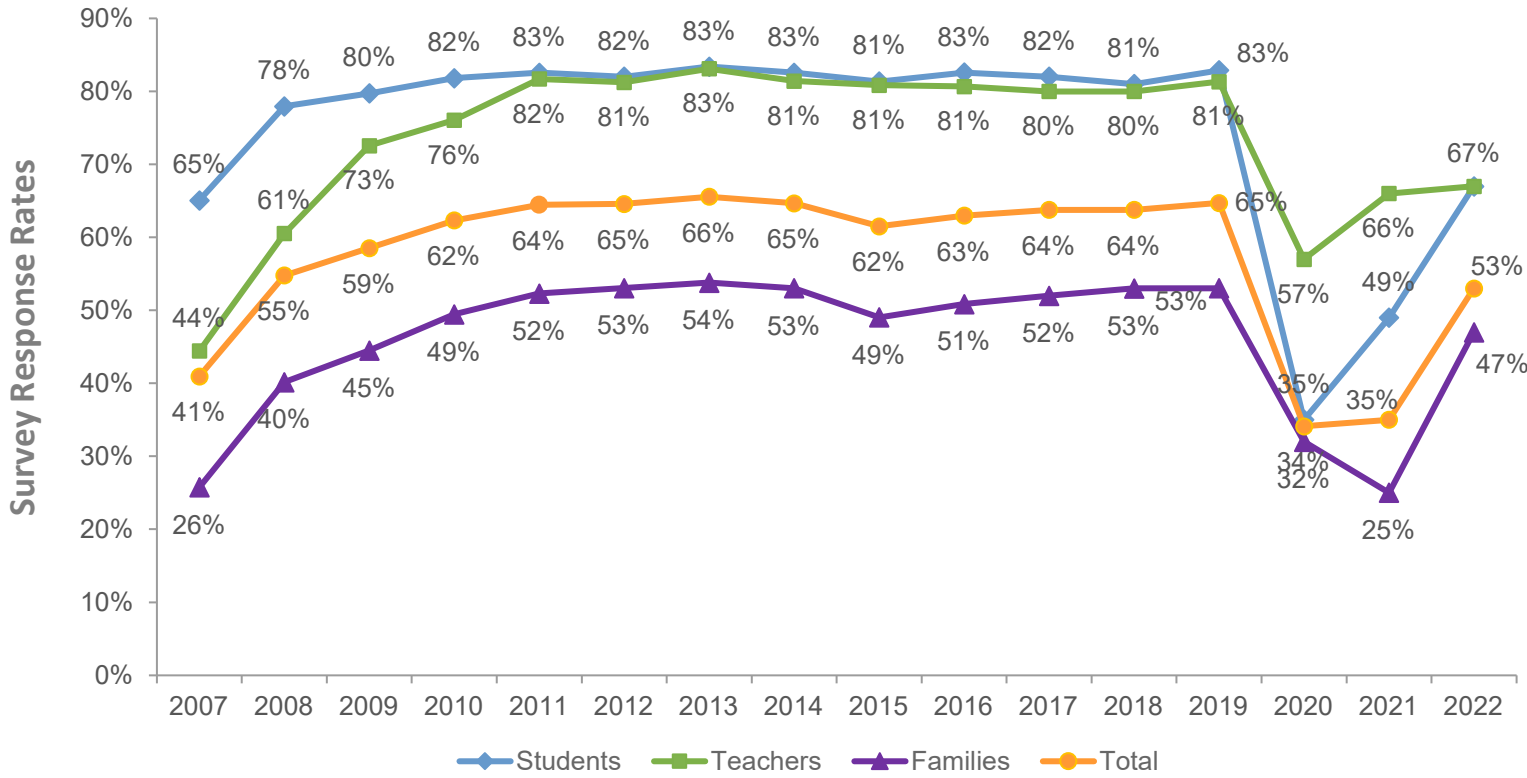

August 2022

# Currently the survey is aligned to solicit feedback across the six elements of the Framework for Great Schools

- Based on robust research, the six elements of the [Framework for Great Schools](#) identify the areas that must improve to increase student achievement.
- By focusing attention and resources on what it takes for schools to function well, the Framework identifies the underlying strengths and weaknesses of a school and shows community members concrete ways to improve student achievement.
- The survey is aligned to the Framework for Great Schools.

# 2022 NYC School Survey response rates were lower than in pre-pandemic years, but more families, students, and teachers took the survey than last year.
